Timber, Staining & Construction

Exclusive to Simply Spas, our Gazebos are built to the highest possible standards and designed with safety in mind. By using only premium grade timber and fittings in our whole range, we ensure that every Gazebo meets our high expectations of superior quality and exceptional workmanship.

The 'Lay About' Gazebo is crafted from quality native Australian Cyprus Pine and is dipped in anti-fungal, UV resistant and water resistant stain to ensure an even application, including staining all end grains which prevent decay. This stain has been developed to withstand the harsh conditions of the Australian climate. Galvanised (rust proof) screws are also used on all of our Gazebos to ensure structural integrity, longevity and lasting great looks...
